

## THE SECRET'S OUT

### Espionage on the High Seas!

We know you've been eagerly awaiting our big announcement—and we promise it was worth the wait! Instead of our traditional Spies, Lies & Nukes conference in 2024, we're thrilled to introduce an even more exciting event for 2025: [Spies at Sea.](#)

A combined cruise and conference through the breathtaking Mediterranean, from August 30 to September 8, 2025!

## What to Expect:

- Intimate Conference Setting: Enjoy the same close-knit, engaging environment you've come to expect, with unparalleled access to our expert speakers.
- Exclusive Shore Excursions: Explore clandestine meeting spots, delve into espionage history, and more on excursions **EXCLUSIVE TO OUR GROUP**.
- Seminars at Sea: Participate in lectures and presentations led by Valerie Plame and top intelligence professionals, all the while cruising through some of the Mediterranean's most iconic destinations.
- Special Events: Enjoy exclusive cocktail receptions, surprise activities, and one-on-one conversation time.

## Exclusive Spies, Lies & Nukes Itinerary Highlights:

- **Barcelona, Spain**: Begin your adventure in this vibrant city.
- **Valletta, Malta**: Walk through history with guided tours led by espionage experts who will lift the veil on area spy stories and meeting sites.
- **Mykonos, Greece**: Discover the charm and beauty of this picturesque island.
- **Ephesus, Turkey**: Explore ancient ruins with a private guide and enjoy a unique group lunch, all while learning about intelligence activities that took place at each spot.
- **Santorini, Greece**: Experience the iconic beauty of Santorini with endless photographic opportunities.
- **Naples, Italy**: Enjoy a group lunch at a local restaurant and an exclusive walking tour with a private guide while learning a few spy secrets from Naples, Capri, and the Amalfi Coast.
