

**The AFIO Norman Forde Hampton Roads Chapter**  
invites you to our fall meeting featuring

**Larry M. Wortzel**, who will be discussing his new book

# **The Dragon Extends Its Reach**

The Chinese Communist Party has charged the People's Liberation Army with new and challenging missions that require global capabilities. Join us as Dr. Wortzel, former director of the Strategic Studies Institute at the U.S. Army War College, presents a clear and sobering picture of the ongoing modernization effort as it expands into space and cyberspace.

**Saturday, September 7 at 11:30 am**
